

"SBS University Excels in Dual Endeavours: Photography Workshop and Science Festival Triumph"

Sardar Bhagwan Singh University in Balawala, Dehradun, excels not only in academic pursuits but also in the realm of extracurricular activities. In a recent showcase of their commitment to holistic education, the university's students demonstrated their brilliance and enthusiasm on two distinct fronts. They not only made a significant impact at the 4th International Science and Technology Festival-2023 but also harnessed the power of visual storytelling through a captivating photography workshop, conducted in partnership with Animal Planet India. These events serve as a testament to the university's dedication to fostering well-rounded individuals and the pursuit of excellence, both in academics and creative expression.

The workshop was a testament to the university's commitment to offering students opportunities that go beyond conventional classroom learning. The Program was inaugurated by Floral welcome from Prof. (Dr). J. Kumar (Vice Chancellor) accompanied by Mr. Vipin K Jain (Registrar (O)) and Lt.Col R P Jugran (Retd.(Dy Registrar Admin)).Dr. Shubham Omer, an esteemed alumnus of SBS University, took centre stage as the key speaker. Dr. Omer brought a wealth of experience and expertise to the table, sharing his journey and knowledge with the eager participants.

This unique event was a celebration of creativity, learning, and the art of storytelling through images. The Photography Club continues to be a driving force in nurturing talent and fostering a community of passionate photographers.

The event was Co-ordinated seamlessly by Dr. Niranjana Shah (Convener) and Mr. Arnab Ganguly (Secretary of the Photography Club). Their dedication and enthusiasm were evident in every aspect of the workshop, ensuring that attendees had a memorable and enlightening experience.

SBS University continues to make waves in the academic and extracurricular arena, and their recent participation in the 4th International Science and Technology Festival-2023 is no

exception. The university's students showcased their brilliance and enthusiasm in various activities.

The event, featured two major activities: the "Science Poster Competition" and the "Space Science Quiz." What's truly remarkable is that the students of Sardar Bhagwan Singh University didn't just participate; they excelled and left a lasting impression.

In the "Science Poster" category, our students secured prominent positions and even brought home cash prizes. Furthermore, two of our students showcased their knowledge and expertise in the "Space Science Quiz" and outperformed numerous participants.

What's even more impressive is that these achievements weren't isolated instances. SBS University proudly represented Uttarakhand with a total of 1022 and 4000 participants in each competition, and our students consistently secured places among the top 30 participants in each category. This remarkable feat highlights the dedication and hard work of both the students and the university in nurturing a culture of academic excellence.

Sardar Bhagwan Singh University continues to shine not only in academics but also in extracurricular activities. The university's commitment to fostering well-rounded individuals who are not only academically accomplished but also socially aware is truly commendable.
