

SBS University Conducted Guest Lecture on Health Care

Sardar Bhagwan Singh University, Dehradun organized guest lectures on Human Health and Naturopathy on 30th November, 2019 by eminent speakers **Dr. Mohit Chowdhury (Apollo Hospital, New Delhi)** and **Dr. Nagender Neeraj (Patanjali Yog Gram, Haridwar)**. Prof. A.K. Sharma (Vice Chancellor) accompanied by Prof. F. C. Garg (Dean Academics) and Prof. Veerma Ram (Director, School of Pharmaceutical Sciences & Technology) felicitated the speakers. Dr. Mohit talked on **“How to motivate normal human beings to donate organs after death and to spread awareness about the importance of organ donation”**. Dr. Neeraj delivered lectures on **“Role of Naturopathy and Yoga on Metabolic and Lifestyle Disorders”**. He emphasized more on the different treatment modalities for metabolic and lifestyle disorders explained in naturopathy and yogic science. On behalf of the University, Vice Chancellor felicitated speakers with a memento as token of gratitude. Speakers wished all the students for their bright future and encourage them to share knowledge to society. The event was attended by the faculty and students.
