

Sardar Bhagwan Singh University Marks National Science Day with Vibrant Celebrations

In a fervent celebration of National Science Day, Sardar Bhagwan Singh University showcased the theme "Indigenous Technologies for Viksit Bharat" through an engaging lecture series and a spirited poster competition. The event, brimming with insight and enthusiasm, featured distinguished speakers and spirited participation from students.

The lecture series, a cornerstone of the celebration, saw the stage graced by eminent personalities from various fields:

Dr. Sachidanand Bharti: Renowned Indian Environmentalist.

Padmashri Prof. A N Purohit: Esteemed Scientist.

Prof. (Dr.) J Kumar: Vice Chancellor of Sardar Bhagwan Singh University.

Dr. Ravi Khetarpal: Executive Secretary, APAARI Thailand.

Dr. C Nithya Shanthi: Head of Department, Pharmaceutics.

Each speaker brought forth illuminating insights into diverse topics, shedding light on India's progressive strides across various disciplines. Their collective wisdom resonated with the audience, showcasing the nation's commitment to advancement in science and technology.

A highlight of the event was the Poster Competition, designed to foster creativity and innovation among students. Students exhibited their artistic and intellectual prowess through captivating posters that encapsulated the spirit of Indigenous Technologies for Viksit Bharat. Anvita Pandey, Neha Sundriyal, and Isheeta Badhani Clinch Victory in Poster Competition.

The event served as a testament to the university's dedication to promoting scientific temper and indigenous innovation. It underscored the pivotal role of academia in nurturing talent and fostering a culture of inquiry and discovery.

Reflecting on the occasion, Prof (Dr.) J Kumar (Vice Chancellor) expressed his delight at the overwhelming response to the event. He emphasized the importance of harnessing indigenous knowledge and technologies to propel India towards a brighter and more sustainable future.

As the celebrations drew to a close, participants departed with a renewed sense of purpose and a deeper appreciation for the transformative power of science and innovation. National Science Day at Sardar Bhagwan Singh University served as a beacon of inspiration, igniting minds and igniting a passion for exploration and discovery.

In the wake of this successful celebration, Dr. Nidhi Belwal and her team stand as paragons of dedication and excellence, embodying the university's ethos of fostering a culture of innovation and intellectual growth.
